LETTER FROM EXECUTIVE DIRECTOR

Gala Attendees,

Home Suite Hope empowers single-parent families to break the cycle of poverty. Our program equips them with essential services, education, and employment support, leading to self-sufficiency.

With a remarkable 100% employment rate for our graduates, we're changing lives and breaking generational poverty cycles.

However, we face a pressing housing crisis threatening our participants' stability. We need your help to provide affordable housing.

Tonight, we seek your support at the Flight for Hope and the Home For Good Gala. Your donation of \$14,400 can house a family for a year, ensuring their future.

Join us as partners in change, advocates for innovative housing solutions, and champions for single-parent families.

Thank you for your continued support.

Thank you for championing the cause of affordable housing for those in need!

12:00am

I am thrilled and honored to serve as the Chair of Home Suite Hope's Board of Directors as we embark on this critical mission to provide affordable housing in Halton.

This gala fundraiser, aimed at raising both funds and awareness for the urgent need for affordable housing units for single-parent families in Halton, is leading the way in addressing this issue. Home Suite Hope is bringing attention to a real problem that jeopardizes the success of a vulnerable population, putting their future at risk.

By supporting Home Suite Hope's Home for Good Affordable Housing Campaign, you are not just helping single-parent families and their children access safe, affordable housing, but also enabling and empowering them to forge a better path forward, breaking the cycle of homelessness. Home Suite Hope's wraparound support system is unmatched, and this campaign is the next step in allowing us to continue supporting families on their journey from poverty to stability.

I express my heartfelt gratitude to our sponsors, donors, vendors, volunteers, organizing committee, and Home Suite Hope staff. Your unwavering commitment has made this evening possible and truly remarkable. Thank you for joining us this evening, and I hope you all have a great time.
