Wish List Letter (Parent)

Dear HSH Donor,

Hello, thank you so much for offering to sponsor me and my daughter this holiday season. For my wish list I would love some basic tools that can help me, with building my career and future. I'm set to graduate this April with a welding diploma and then plan to attend a carpentry course for 6 months after to build my resume up and help me in the trade field. So, I would love to get a head start and have my own carpentry tools. A tool belt and bag would come in very handy or a panel saw and miter box. Anything in that line of work would be helpful. I hope you have a lovely day!

Wish List Letter (Child 1)

Dear HSH Donor,

Hello for Christmas I would love to have some beads so I can continue my bracelet making, I enjoy any type of crafts. When I'm not crafting, I'm playing dress up with my dolls, so maybe some makeup and hair supplies. I like to do mommy's makeup a lot but I'm not allowed to use hers lol. I'm a big hello kitty fan also. I would be thankful and happy with anything. Have a Merry Christmas. :)
