Home Suite Hope Shared Living Corp.

WHO WE ARE

Home Suite Hope unites a network of vital support services for single parents and their children; encouraging and supporting them as they journey from poverty to stability.

Poverty, and the hopelessness it fosters, is often passed on from one generation to the next. Children growing up in poverty learn to believe education and secure employment are beyond their reach. Without empowerment, they may not have the tools and support to think beyond their microcosm of despair.

Together, we are transforming the patterns of poverty to a legacy of empowered prosperity. One family at a time.

Vision & Mission

Mission: Unite a network of vital support services for single parents and their children; encouraging and supporting them as they journey from poverty to stability.

Vision: Lives permanently changed for the better.

Corporate Engagement

Are you searching for a meaningful way to engage your team in volunteer opportunities, foster social responsibility, promote team building, and maybe even ignite some friendly competition at the office? Look no further than our variety of campaigns that YOU can take part in!

Show 'em some Love Campaign

It's the holiday of love, and we want our participants to feel the love and support they deserve...We kindly request donations of self-care items such as candles, makeup, face masks, etc.

Period Poverty Campaign

Feminine hygiene products are an essential and costly necessity for our participants and their daughters. To support them, we collect donations of tampons and pads, which are kept in our office for them to pick up as needed.

Dressed for Success

Help HSH participants make a lasting impression at work by hosting a professional clothing drive at your workplace. Foster confidence, inspire self-belief, and enhance career opportunities for them by gathering high-quality, stylish, and appropriate professional attire.

Birthday Gifts Campaign

Promote inclusion and allow every child to experience the joy of gift-giving. As a single mom, when birthday invites come home, the stress of finding money for a birthday gift arises. We provide a locker filled with gifts where moms can bring their children to choose a gift for their friend.

Cleaning Products Drive

Host a Household Cleaning Supplies drive/contest at your office to help HSH single moms alleviate one of the most expensive parts of a grocery bill. Ex., laundry detergent, fabric softener, toilet bowl cleaners, recycling bags, windex.

Blueberry Fields Garden

Grab your gardening gloves and head to Upper Oakville Shopping Centre's community garden — Blueberry Fields! Each year, volunteers from the community are needed to help plant, grow and harvest fruits and vegetables.

Summer Fun Kits Campaign

Many moms in our programming can't afford recreational activities for their children. Pack a backpack full of summer activities to help keep kids active and entertained over the summer (chalk, bubbles, sports equipment, skipping ropes, etc).

Back-to-school Campaign

Help pack backpacks for moms and kids heading back to school. Did you know it costs about \$3000 to get all 25-35 moms in our programming and their kids prepared with supplies for Back to School?

Bowl Painting Parties

Purchase and paint bowls for HSH's Empty Bowls event. Bowls are painted at Crack Pot Studio and donated back to Home Suite Hope.

Holiday Gift Card Collection

Hosting a holiday party? Why not ask guests to bring a gift card to support a local charity like Home Suite Hope instead of bringing a host gift!? Or ask your staff to bring a gift card as admission to the holiday party.

Sponsor a Holiday Wish List

Bring the joy of the holiday season to HSH families. Support Hope 4 Holidays by purchasing and donating items on parent and child submitted wish lists.

Gift Wrapping

Unite for a Cause: Wrap Joy, Spread Festive Cheer! Bring your team together in 'Santa's Workshop' to bring smiles to families in need during the holiday season by helping to wrap all of the generous gifts that have been donated for our families.

If you have a different idea that your team would like to support Home Suite Hope through, we'd love to hear from you! Please feel free to share any creative ideas or initiatives that you think would benefit our cause. You can reach out to us through email at KatelynZ@HomeSuiteHope.org

Empty Bowls 2025 to offer Dine In and Pickup Option

Home Suite Hope is a wraparound service that helps homeless or precariously housed single parent families in the Halton Region move to self-sufficiency. Through a four year program that provides a housing subsidy, a two year college diploma, intensive case management, life skills training, mentorship, professional development and employment supports, single parents are given the opportunity to build their skills and break the ties of generational poverty once and for all.

In its 17th year, Empty Bowls brings the community back together once again at Appleby College to visit the various soup vendors by handing the chef their new bowl to fill. This tangibly represents the soup-bowl experience that many homeless families face prior to entering Home Suite Hope. This is Home Suite Hope's signature fundraising event with all proceeds going to our wraparound supports.
