Wish List Letter (Parent)

Dear HSH Donor,

I would really like ink for my printer, I will be starting school and will most likely need this. The ink I require is Epson 212 or 212 XL (black, magenta, cyan, and yellow). I would like a pack of white long sleeve shirts, that are long john material as I will be doing a lot of winter walking in a men's size large. I would love to have a Nutri Bullet or magic bullet to make my protein shakes as I have been on a weight loss journey for the last several months. I would also love to have a pair of wireless on-ear headphones. I really like the brand JBL, but I would be happy with any brand. Thank you so much for sponsoring my family and making it extra special.

Sincerely, Chantell

Wish List Letter (Child 1)

Dear Santa,

I would really like a big transport truck that holds lots of die cast race cars. Car and trucks are my favourite. I would also like a white noise machine that lights up for my room so I can have a better night's sleep. I would really love to have a big pretend play construction tool bench workshop, I love to make noise. I would also really love to have a magnetic drawing board table so I can start learning how to draw pictures please.

Sincerely, Jaxson
