Wish List Letter (Parent)

Dear HSH Donor,

I would really like a blender like the magic bullet to be able to make smoothies for breakfast for healthier options on the go. I also would love a new pair of running shoes so that I can keep up with my kids at the park. I love basic-coloured shoes and usually get sketchers with the memory foam insole, but I would appreciate any brand. I am a woman's size 10. Lastly, I would love an iron for clothes so that me and the kids always look our best please. Thank you for sponsoring us.
