Dear HSH Donor,

I would love a juicer as I am wanting to start juicing more and in taking healthier drinks. I also would like a kitchen mat as I love to cook but my feet get exhausted in the kitchen and hand compression gloves, please. I would also really appreciate a pair of rain boots as the slush weather approaches.

Thank you for thinking of me and my daughter during this season, I truly appreciate the support.

Dear Donor,

I would like a pair of snow boots for the winter please. I am a size 7T. I want a helmet for when I start learning to bike ride as well as some toys to play with! Also, some blinds for my mommy's car windows to block the sun from my face. Thank you sooo much.
