Dear HSH Donor,

Thank you in advance as I am very grateful for this opportunity to have your families support during this wonderful time of year. My kids and I are very appreciative of all the amazing gifts provided by you and thank you once again. :) A rotating spice rack organizer with create your own labels would be amazing to have in the kitchen. I would love Avocado oil by Chosen. I love to cook but I also love staying healthy and cooking with healthy alternatives for me and the kids, yet Avocado oil can be quite expensive. I don't have a lot of pots and pans, so a nice cast iron pan or a stainless-steel set would be amazing. I love having cozy things around the house, especially for family movie nights, so candles or a throw blanket would be nice; I love grey and pink.

Merry Christmas and God bless!

Thank you and stay safe,

Ashley

Wish List Letter (Child 2)

Dear Santa,

I would love to have a plain grey Nike tracksuit. An Amika hair repair routines set would be really great as I have really damaged hair, and it would really be helpful to get my hair back to healthy. I love having cozy Christmas pajamas and slippers during the winter months to keep warm.

Thank you, so much and Merry Christmas!
