Dear Sponsor,

This holiday season I am hoping for a lot of snow! I would love to have some new painting supplies and canvas to paint some snowy landscapes. Art and creativity are my passions. I am always on the lookout for some awe-inspiring ideas. I would also really appreciate some winter boots, so my toes don't get cold on my commute to Sheridan this winter. It's too bad I cannot request straight A's :), Just kidding, I will just be sure to earn them! I hope that you and your family have a holiday season filled with love, happiness and good health. I am very grateful that you have opened your heart to bless my son and I with a holiday we will cherish and remember long into the future.

Thank- you.

Wish List Letter (Child 1)

Dear Santa,

This year for Christmas I would like Spiderman toys. I love to pretend to shoot my web all over the place. Mommy says I'm allowed to use silly string but only in the back yard. I really love marble runs especially the glow in the dark kind. I love watching the marbles fly around the tracks. I don't know if it will be snowy, but I would really like to go sledding. I am not sure if the elves can build sleds but if they can, I hope it will fit in the toy bag. I know the toy bag is made of magic, so I hope it won't take up too much room. If I could have just one thing from my list my Christmas will be so awesome!

Thank- you Santa

P.S I will put out the magical reindeer food and some carrots for Rudolph and his friends!

P.S.S Don't worry Santa we do not have a chimney, but Mommy says you can use the back door! I will leave your cookies and milk on the table!

Merry Christmas Santa!
