Wish List Letter (Parent)

Dear HSH Donor,

Thank you so much for helping make this holiday season special. I would really like to have some towels for my daughter and me. I love to cook with my daughter, and we thrifted a kitchen aid and would love any attachments for it such as the ice cream bowl or pasta attachment to continue to make those fun memories together. I would also love to have a heatless curler set; I've always wanted to try it to help with the before commute to work. Lastly, I would really like to have a soft sweater, I'm not too picky I just like cozy things!

Jade would really love to have some art supplies she loves to craft so any markers, paint, clay, etc. She also loves bath bombs and would love to have some of those. She would really enjoy slime; she likes sensory play. And she would really like to have some things for her baby doll. Lastly, she would love to have a little Stanley cup water bottle.
